Mini LuxePad

Bluetooth 3.0 Keyboard for iOS devices

Genius
Live with Ideas

Mini LuxePad is a brand new Bluetooth 3.0 keyboard for iOS devices that brings you more convenience than ever when you are using your iPhone or iPad. The Bluetooth wireless technology provides a clean, cable free workspace, quick connection to your device, low power consumption and a more stable Bluetooth signal.

With Mini LuxePad, you can easily edit documents, text, email or chat anytime. Soft rubber keys provide a great tactile typing feel and the FN keys offers instant access to functions such as brightness, volume, multimedia control, and Input method editor if you want to change languages. The leather pouch protects the Mini LuxePad keyboard, and can be converted into a sturdy stand for your iPhone, which creates a comfortable working or entertainment environment.
